Welcome My Friends!

WELCOME TO THE 2010
WORLD MYSTERIES CONFERENCE
FROM FOUNDER CECE STEVENS!

WMC Founder, Cece Stevens

I had a vision on June 9, 2009, and in it I was compelled to begin this journey to bring knowledge to those who are fearing the 2012 Mayan Prophecies, and to also bring the knowledge of what the Crystal Skulls are saying to us.

I attended other conferences to see what was being taught and I could not find anything, so the World Mysteries Conference was born. I sought out those speakers who had things to offer and help. Some are already known and some will become better known, but all have something of value for

us here.

There are four stages to my conferences:

- 09-09-09 The Awakening,
- 10-10-10 Sacred Knowledge,
- 11-11-11 Sacred Places,
- 12-12-12 The Journey.

There is power in knowledge and power in words. We in effect create ripples in the lives of those we effect. It is a choice as to how we leave our mark in the waters of life. I choose to leave a positive mark.

My ripple relates to knowledge and letting go of fear. For fear

is only based on the lack of knowledge. Right now the fear is over the change in the calendar for 2012 and the Mayan Prophecies.

We are already in the midst of changes now that we fear in 2012. This is it, and so I have begun this journey to help others share their knowledge through education in lectures and healing.

Thank you for coming on this journey!

Many Blessings,
Cece Stevens
