### UWE GRONAU *Time Rider*

When you enter the world of music created by Uwe Gronau, a top German musician, singer and composer, be prepared for exploration, existentialism, imagination and dreamtime. His latest recording, *Time Rider*, invites the listener to explore their past and future life by surfing the waves of time with his music providing both the impetus and the soundtrack for the adventure.

The music, which ranges from mellow-beats to meditative, has been embraced by new age music lovers, but his blend of acoustic and electronic sounds also contains elements of jazz, pop, prog-rock, avant-garde, techno, trance, chill, ambient and space music. On *Time Rider* Gronau, a pianist, synthesist and organist, includes a dozen instrumental tracks as well as eight vocal tunes.

longing, guidance, gentleness,  
heartland and hope*

### DARLENE KOLDENHOVEN *Solitary Treasures*

*Solitary Treasures* reveals the remarkable depth of musicianship and talent of this music-industry pro who not only delivers her Grammy-winning vocals for this album, but arranged, orchestrated, played piano and keyboards, sang harmonies, even engineered and programmed eight out of twelve tracks and composed three of them on this her seventh album on her indie label, TimeArt Recordings.

Vocally, lyrically, musically, *Solitary Treasures* opens a trove of passion, drama, intrigue, love, longing, guidance, gentleness, heartland and hope, set with elements of classical, classical crossover, romantic ballad, adult contemporary pop, world music and Darlene's compelling originals. As the title suggests, each piece truly is a gem unto its own spectacular qualities, unique yet complimenting each other as a whole – like a playlist for seekers of a beautiful, deep listening and extraordinarily moving experience.
