Breast Health

By Dr. Eva Selhub & Steven Halpern

Breast Health is a breakthrough subliminal audio program that can empower the body's natural ability to heal, and reduce stress and anxiety.

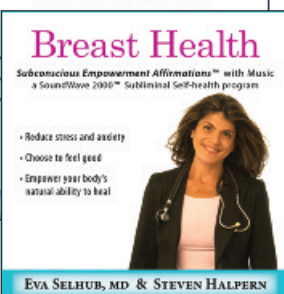

Dr. Eva Selhub, MD, integrates ancient Eastern wisdom with the best of modern Western medicine into her life affirming affirmations. Many women want to participate actively in their own prevention or healing process.

Why not take advantage of the positive benefits of invoking the powers of the mind, intention and healing music? Halpern's relaxing and rhythmic soundtrack is perfect for any mood.

Also recommended: **Breast Health** (Audible version). Double the benefit with this companion CD, featuring Dr. Selhub's soothing voice.
