The First Little Angels on Earth

A double CD set
By Lia Scallon

There is simply nothing else out there like Irish-born, Lia Scallon's *Sounds of Sirius* CD series. Lia's unique vocals induce a profound sense of peacefulness. *Living Now Magazine* wrote, "This music uplifts and thrills me..."

This double CD set combines Lia's exquisite sung vocals with the story of five brave little angels, who undertake a Grand

Adventure to Planet Earth. Adults and children alike will be entranced by this magical journey.

"Part music, part meditation, part fable and lullaby... like health food for the soul..." - *Insight magazine*

"Utterly superb – a truly 'classical' piece, that deserves to be discovered." - Fish Records
