

“Starsong” – Lia Scallon

Healing with the Sounds of Sirius

Lia is Irish, and her stunning voice has all the lightness one expects of Irish singers. On top of that, her voice is imbued by her obvious spirituality. This music uplifts me and thrills me. On the odd occasion there was a ‘strange’ word in there (probably

because it is a ‘channelled’ piece). This momentarily arrested my upward spiral, but I was soon back into a meditative state. This is fast becoming one of my favourite CDs – thankfully they take a lot of wear and tear.
